

FRANKLIN COLLAO

1982 生於墨西哥 提華納，目前居住並工作於科莫湖和墨西哥城之間。

作為一名當代藝術家，Franklin Collao 以其充滿活力的繪畫作品、對色彩的精湛掌握以及完美的"sfumatura"技術而聞名——這是一種特殊的手法，他反覆"撫摸"油畫，直到它變得輕盈柔軟如空氣，產生了如數位般的表面效果。

Franklin Collao

1982 Born in Tijuana, currently lives and works between Lago di Como, and Mexico City.

As a contemporary artist, Franklin Collao is known for his vibrant paintings, mastery of color, and perfect sfumatura—a special hand technique in which he repeatedly “caresses” the oil paint until it becomes as light and soft as air, producing a digital-like surface.
